I understand that participating in any physical activity involves inherent risk and that even when safety precautions are utilized, injuries can occur. I also understand that if my child experiences unusual pain or physical discomfort during participation in any class activity, they will immediately stop exercising, and inform the instructor of any symptoms. I am aware that personal health/accident insurance is my responsibility. I claim that my son/daughter to my knowledge does not have any medical/physical disability that will preclude their safe participation in the MainStage Academy of Dance program.
